Mr. Zabinsky presented ample substantial advantages of starting a business and living in RAS Al Khaimah among of which are logistical advantages, the cost of setting up or running a business in the emirate, and the cost of living. The key benefits are lower costs and a higher return on investment.

Mr. Zabinsky also added that Ras Al Khaimah Free Trade Zone and Ras Al Khaimah Investment Authority provide different facilities to fit every business needs which are cost-effective. An exclusive business package promo with zero registration fee was offered to Gulfood visitors on Flexi Facilities and Offices.

This special dinner event was successfully hosted with an aim to disseminate valuable information about a very diversified, stable and dynamic economy, Ras Al Khaimah, and to explore the best options for any businesses, especially in the food industry.

CEO Clubs Network, the main organizer of the event, brought together more than a hundred Gulfood exhibitors from various companies all over the world. We are very committed to connect industry leaders and expand their business network which is essential to their business growth. We always make sure that we do our events and activities with constant and lively interaction among guests within a friendly, conducive learning environment.
