

**Lyndon D'Silva**

General Manager-Middle East and Africa  
Concentrix

**Expertise**

Global Leader with a 30-year track record of launching and scaling global businesses for companies like Standard Chartered Bank, Morgan Stanley, AIG, IBM and XEROX with a maniacal focus on people.

**Company**

Think of the products and services you use as a customer. Hail a ride. Renew a streaming entertainment subscription. Negotiate the buyback/upgrade for the latest top-end wearable device. Troubleshoot a high-tech home security system. Call in an unexpected card charge for fraud or finance a shipment for your business. File a complex accident claim or prescription drug claim. Place a shut-off notice with their utilities company for a trip out of town.
